Annual E-Governance Report for the Academic Year 2022-2023

Students Administration and Support

Nirals software is used for students' admission through online. Students fill up their admission forms and based on this merit list is prepared. The office continued to use this software for generation of Transfer Certificate, Course Completion Certificate and Bonafide Certificate of the students. Student's attendance is recorded with RFID technology.

Student's Feedback on curriculum delivery, student satisfaction survey and ambience survey is conducted online. Based on the feedback analysis the IQAC then prepares the report on the same. The college continued the usage of bulk sms for communication with parents, regarding student's entry and exit time, important notices and information for students using Nirals software. Nirals Mobile app supported by android mobile is effectively used for the teaching-learning process and for communication.

The students get benefitted with the provision of online scholarship facility through

- (i) National Scholarship Portal for minority students
- (ii) Adi Dravidar Scholarship Portal for SC/ST students

Library

Partial automation is implemented in library. Students' entry to library is registered using RFID technology. Issuing and returning of library books is done through online.

Wavoo Wajeeha Domain e-mail IDs

The IT support team has created official e-mail IDs for teaching, non-teaching and students. Google workspace and the products of Google specially meant for Teaching-Learning process are implemented in the college. The online teaching-learning process and College communication is accessed using domain e-mail id.

Staff Attendance

The attendance report for Staff is continued to be taken with RFID technology during their entry into the campus. Staff members are supposed to avail leave and permission in college app.

Tally ERP 9

College continues to use Tally ERP 9 for Accounts and Finance purposes.

Internet Facility

The internet facility in our college is provided with NISS fibrenet of 50 mbps package, BSNL fibrenet of 200 mbps package and Infonet wireless connection of 40 mbps package.

College Transport

The transport is maintained in online with provisions like GPS tracking and camera.
