NPTEL 2023-2024 Report

The Study Webs of Active learning for Young Aspiring Minds–National Programme on Technology Enhanced Learning (SWAYAM-NPTEL) is a collaborative effort by seven prestigious Indian Institutes of Technology and the Indian Institutes of Science. It aims to develop self-paced course materials across various disciplines, providing accessible learning experiences for all. NPTEL launched its online courses in March 2014 and offers certificates endorsed by the Indian Institutes of Technology (IITs) and Indian Institutes of Science (IISc) upon successful completion. NPTEL also partners with numerous colleges through Local Chapters, and we are delighted to announce that WAVOO WAJEEHA WOMEN'S COLLEGE is one of them (College ID: 3025).

The program was launched at our college in March 2020, and both students and staff enthusiastically registered and consistently passed their examinations. Dr. S.N.Sithi Shamila, the Head of the Department of IT, serves as the Single Point of Contact (SPOC) for the local chapter of Wavoo Wajeeha Women's College of Arts and Science.
